

Cobre del Mayo, S.A. de C.V. Announces Exchange Offer and Consent Solicitation

Mexico City, April 12, 2021 – Cobre del Mayo, S.A. de C.V. (“CDM”) announced today that it has commenced an offer (the “Exchange Offer”) to Eligible Holders described below to exchange any and all of its outstanding \$125,228,986 aggregate principal amount of Senior Secured PIK Toggle Notes due 2021 (ISIN: XS1354863612 and XS1354862564; Common Codes: 135486361 and 135486256) (the “Existing Notes”) for, at the election of such Eligible Holders, a combination of Senior Secured Notes due 2026 (the “2026 Secured Notes”) and Senior Secured PIK Toggle Notes due 2030 (the “2030 Secured Notes” and, together with the 2026 Secured Notes, the “New Notes”). In conjunction with the Exchange Offer, CDM is soliciting consents (the “Consent Solicitation”) to amend the indenture governing the Existing Notes to eliminate most of the restrictive covenants set forth in such indenture (the “Proposed Amendments”). Eligible Holders must consent to the Proposed Amendments in order to participate in the Exchange Offer, and must participate in the Exchange Offer in order to participate in the Consent Solicitation. Eligible Holders of Existing Notes who validly tender their Existing Notes will be deemed to have delivered their consent to the Proposed Amendments.

While the recent increase in copper prices and CDM’s recent decision to restart mining operations gives CDM confidence that it will be able to service its debt after the Exchange Offer, given that mining operations were suspended until January 2021, CDM does not envision having sufficient liquidity to service its Existing Notes, which mature on November 15, 2021. The purpose of the Exchange Offer is to better align CDM’s debt service requirements with its anticipated cash generation capabilities. Going forward, CDM intends to use its cash flow to service senior debt, optimize its operations, resolve contingent risks and increase levels of working capital. In this context, CDM does not expect to be in a position to make any payments in respect of the Existing Notes outstanding after the Exchange Offer.

Eligible Holders of Existing Notes that validly tender and do not validly withdraw their Existing Notes in the Exchange Offer on or prior to 5:00 p.m., New York City time, on April 23, 2021, unless extended or earlier terminated by CDM at its sole discretion (such time and date, as the same may be extended, the “Early Tender Date”), and which Existing Notes are accepted by CDM, will be eligible to receive \$1,043.75 in principal amount of New Notes per \$1,000 principal amount of Existing Notes tendered (the “Early Tender Consideration”). Eligible Holders of Existing Notes that validly tender and do not validly withdraw their Existing Notes in the Exchange Offer after the Early Tender Date, but on or prior to 11:59 p.m., New York City time, on May 7, 2021, unless extended or earlier terminated by CDM at its sole discretion (such time and date, as the same may be extended, the “Expiration Date”), will be eligible to receive

\$980.00 in principal amount of New Notes per \$1,000 principal amount of Existing Notes tendered (the “Late Tender Consideration” and, together with the Early Tender Consideration, the “Exchange Consideration”). Existing Notes validly tendered and consents to the Proposed Amendments (described below) validly delivered may be validly withdrawn or revoked, as applicable, at any time prior to 11:59 p.m., New York City time, on May 7, 2021, unless extended or earlier terminated by CDM at its sole discretion (such time and date, as the same may be extended, the “Withdrawal Deadline”), but not thereafter. Eligible Holders may elect to receive Series A Secured Notes, Series B Secured Notes, or a combination thereof as the applicable Exchange Consideration.

The New Notes will be fully, unconditionally and irrevocably guaranteed by certain direct and indirect wholly owned subsidiaries of our parent company, Frontera Copper Corporation, S.A.P.I. de C.V. (“Frontera”), but will not be guaranteed by Frontera.
